

Connecting Mental and Physical Health

March 13-14, 2018

Mental health, including substance abuse, has increasingly become the priority of employers, providers, payers, and legislators. Join the KHC's 2018 annual conference to learn more about these topics:

- Transforming Mental Health Stigma—**Mike Veny**, Mental Health Advocate
- Student Alliance for Mental Health Innovation and Action—**Allison Tu**, Junior, duPont Manual
- Collaborative Care Model—**Kristin Kroeger**, American Psychiatric Association and **Anna Ratzliff**, MD, PhD, University of Washington
- Mental Health Integration—**Brenda Reiss-Brennan**, PhD, APRN, Intermountain Healthcare
- Successful Models of Harm Reduction & Addiction Treatment—**Kelly Clark**, MD, MBA, DFASAM, American Society of Addiction Medicine; **Scott Hesseltine**, MBA, LCADC, Centerstone Kentucky; **Matt La Rocco**, BS, CADC, Louisville Metro Dept. Public Health & Wellness
- Hepatitis C Management—**Barbra Cave**, APRN, University of Louisville Physicians

Reception &
Conference

March 13-14, 2018
